AETAP is an international non-profit organization committed to the promotion of research on threat assessment and management, the implementation of tools and structures in relation to the topic, and teaching and training professionals in threat assessment and management. Threat assessment and management under the remit of AETAP is directed towards the prevention of targeted violence and interpersonal violence. Its goals and objectives are the organization of international conferences on threat assessment for the dissemination of new research and intervention strategies; the provision of continued education and networking opportunities; the promotion of regional workshops in the field; and the advocacy of structures and facilities based on threat assessment and management.
